SERVICES FOR PARTNER ORGANIZATIONS

AT A GLANCE

CLASSROOM MUSIC THERAPY & EDUCATION

During school hours | PreK-12th Grade | 1-2x/week, 30-60 min

Weekly sessions serving entire classrooms. Builds foundational music skills alongside self-efficacy, collaboration, and communication. Music Therapy Model available for schools with large populations of students with disabilities, where a licensed, board-certified music therapist leads sessions.

EARLY CHILDHOOD MUSIC

During school hours | Ages 6 mo-5 years | 1-2x/week, 30-45 min

Focuses on steady beat, rhythm, pitch, and dynamics through active music-making. Builds self-confidence, listening, turn-taking, and early social skills.

CHIME TIME RHYTHM & RHYME

After school | PreK-2nd Grade | 1-3x/week, 30-60 min

Customized songs, games, dances, and movement activities. Further develops communication, self-expression, and social engagement beyond the classroom.

CHIME TIME ENSEMBLES

After school | 3rd-8thGrade | 1-3x/week, 60-90 min

Customized percussion ensemble or choir. Emphasizes leadership, self-effectiveness, and relationship-building, culminating in a performance.

BUDDY BAND

During or after school | PreK-12th Grade | 1-2x/week, 30-60 min, 6-15 weeks

Inclusive program pairing students with and without disabilities. Led by at least one licensed, board-certified music therapist. Culminates in a community performance.

ALL PROGRAMS INCLUDE:

- Musical outcomes (beat, rhythm, pitch, dynamics, genre exploration)
- Nonmusical outcomes (listening, turn-taking, communication, community)
- Flexible scheduling and budget-conscious design options
- Instruments provided by ChiME (loaner)
